## **CUB China Donates \$1 Million for Covid-19 Prevention and Control**

In face of the Covid-19 pandemic, the Bank not only has proactively participated in the pandemic prevention and control but also donated RMB\$1 million to support the pandemic prevention and control through Shanghai's Red Cross Society so as to make all efforts to ensure that the financial services and support can be timely in place to perform the responsibility and liability with actions and continue contributing to prevent and control the pandemic

The Bank has proactively participated in the Covid-19 pandemic prevention and control by donating RMB \$1 million in support of Shanghai's Red Cross Society. This will help ensure that all financial services and support can promptly be in place to prevent and control the current and any future pandemics.
